Mette Lindberg

Graduate Applicant — MSc in Business Administration and Information
Systems

PROFILE

I am a CBS graduate combining a strong analytical foundation in business with a passion for digital transformation in financial services. Through my master's programme in Business Administration and Information Systems, I have built expertise in enterprise architecture, process optimization, and data-driven decision making. My internship at Danske Bank's Group Strategy team gave me exposure to large-scale strategic initiatives and stakeholder management.

WORK EXPERIENCE

Danske Bank · Copenhagen

Group Strategy Intern · Full-time · Aug 2025 – Feb 2026

- Supported the development of the bank's three-year digital strategy roadmap
- Conducted market analysis and benchmarking across Nordic peer banks
- Co-authored a 40-page report presented to executive management

Nordea · Copenhagen

Student Assistant, Business Banking · Part-time · Sep 2023 – Jul 2025

- Assisted in client portfolio analysis and segmentation projects
- Built Excel models for credit risk reporting
- Collaborated with relationship managers on SME advisory cases

Magasin du Nord · Copenhagen

Sales Associate · Part-time · Sep 2020 – Aug 2023

- Customer service and till operations in the home goods department

VOLUNTEER WORK

Mentor – CBS Buddy Programme · Sep 2024 – Jun 2025

Mentored two first-year exchange students through their adaptation to CBS and Copenhagen.
