PROFILE

Aarhus BSS strategy master's student. Through internships at Carlsberg and Coloplast, I have worked on commercial strategy, M&A; integration and operating-model questions in consumer-facing businesses. I am drawn to Accenture's consulting practice because it combines analytical rigour with the variety of cross-industry work, and I see consumer goods as a sector ripe for strategic transformation.

WORK EXPERIENCE

Carlsberg Group · Copenhagen

Strategy Intern · Full-time internship · Aug 2025 – Feb 2026

- Supported a commercial strategy review for the Western European cluster
- Built market sizing models and competitor benchmarks
