PROFILE

CBS master's student in Accounting, Strategy and Control with a clear interest in how CFOs translate finance functions into strategic enablers. My internship at Deloitte's Finance Transformation team and student role at Danfoss have shaped my understanding of the modern CFO agenda — from finance digitalisation to enterprise performance management.

WORK EXPERIENCE

Deloitte · Copenhagen

Consulting Intern, Finance Transformation · Full-time internship · Feb 2025 – Aug 2025

- Supported a finance target operating-model design for a Nordic energy client
- Built process maps and benchmarked finance KPIs
- Contributed to the SteerCo deck for the engagement

Danfoss · Sønderborg

Student Assistant, Group FP&A; · Part-time · Sep 2023 – Jan 2025

- Built rolling-forecast models for the climate solutions segment
- Supported the monthly business review for the CFO office

Magasin du Nord · Copenhagen

Sales Associate · Part-time · Aug 2018 – Aug 2020

VOLUNTEER WORK

Member, CBS Finance and Strategy Society · Sep 2020 – Present

Co-led 2024 case competition.
