Profile

I am an IE Business School MSc graduate combining a strong business administration foundation from Universidad Carlos III with a specialism in international management. My internships at Inditex and L'Oréal have given me hands-on exposure to consumer-goods strategy and digital commerce, and my exchange semester at Aarhus University introduced me to the Nordic business culture I am eager to return to. I plan to relocate to Copenhagen this summer.

Education

IE Business School MSc in International Management	2024-2025 GPA: 8.7 / 10
Universidad Carlos III de Madrid Grado en Administración y Dirección de Empresas Exchange semester at Aarhus University (Spring 2021)	2018-2022 GPA: 8.5 / 10
