WORK EXPERIENCE

Student Analyst, Financial Services Advisory | KPMG, Copenhagen

Aug 2025 - Present

- Supported analyses related to regulatory developments, sector trends, and strategic implications for financial institutions.
- Prepared structured insight material for clients on market developments, governance themes, and implementation considerations.
- Contributed to stakeholder and value chain mapping in client-facing advisory work.

Public Affairs & Analysis Intern | Danish Energy Agency

Jan 2025 - Jun 2025

- Worked with policy analysis, sector strategy material, and stakeholder input related to green transition initiatives.
- Analyzed implementation dependencies across public and private actors in regulated environments.
- Prepared briefing notes summarizing strategic implications of regulatory change.

Student Assistant | Confederation of Danish Industry

Sep 2023 - Dec 2024

- Supported industry and policy research with focus on commercial impact, value chain dynamics, and

reform priorities.

SELECTED PROJECTS

Selected project experience

- Developed a sector brief on strategic responses to changing regulatory requirements in financial services.
- Completed a university project on value chain implications of Danish energy policy and the role of cross-sector coordination.

HIGHLIGHTS RELEVANT FOR CONSULTING ROLES

- Combines sector context with structured analysis and commercial awareness.
- Strong fit for advisory work where regulation, market dynamics, and stakeholder landscapes shape strategy.
