Copenhagen K, Denmark

linkedin.com/in/helenadrachmann

PROFILE

Strategy-oriented graduate with a combined interest in finance, enterprise value, and technology-enabled transformation. Motivated by problems that require both structured financial reasoning and a practical understanding of systems, data, and organisational change.

EDUCATION

MSc in Finance and Strategic Management - Copenhagen Business School

2024-2026 | Current GPA: 10.3 / 12

BSc in Business Administration and Information Systems - CBS

2021-2024 | GPA: 9.7 / 12

PROFESSIONAL EXPERIENCE

Student Assistant, Group Strategy - Pandora

Aug 2024 - Present

- Supported strategic analyses for leadership presentations, including growth scenarios and cost themes.
- Prepared material linking commercial initiatives to digital enablers and execution implications.
- Worked in Excel and PowerPoint with tight deadlines and senior stakeholder exposure.

Intern, PMO & Transformation - Carlsberg

Spring 2024

- Tracked milestones, prepared steering committee slides, and documented risks and dependencies.
- Helped reconcile data inputs from finance, IT, and business owners.

SKILLS

Excel modelling, PowerPoint, Financial analysis, Business-IT alignment, Structured storytelling, Stakeholder management

SELECTED COURSES

Valuation, Information systems, Corporate strategy, Financial modelling, Digital transformation

LANGUAGES

Danish (native), English (fluent), Spanish (basic)

PERSONA / FIT NOTES (for testing dataset)

Primary mix: Tech Strategist + CFO value + Tech Translator. Dataset tag: borderline ambiguous. Preferred practice area: CFO & Enterprise Value, though I am also strongly interested in Technology Strategy & Advisory.
