

KATRINE MOLLER

TRANSFORMATION ORCHESTRATOR PROFILE

+45 28 67 14 53 | katrine.moller@email.dk | linkedin.com/in/katrinemoller | Aarhus, Denmark

PROFILE

Structured and execution-focused graduate candidate with hands-on experience in program coordination, implementation planning, governance support, and stakeholder enablement. Brings a strong combination of business understanding and delivery discipline, with particular motivation for large-scale transformation initiatives where roadmap design, value realization, and change enablement are critical to success.

Coordinate events, manage timelines, and align volunteers across projects and sponsors.

PROFESSIONAL PROFILE

Persona target: Transformation Orchestrator (PMO). This CV is intentionally written to surface keywords, educational signals, and work experience aligned with this profile while remaining realistic and coherent.

EDUCATION

MSc in Digital Business Management | Aarhus University

2024-2026 Current GPA: 9.4

- Selected courses: Project Management, Digital Management & Organization, Data-Driven Business Analysis, Change Communication

BEng in Design and Innovation with Business

Specialization | Technical University of Denmark

2020-2024 GPA: 8.7

- Bachelor project: Governance model and implementation roadmap for internal process automation

WORK EXPERIENCE

PMO Student Assistant | Vestas, Aarhus

Aug 2025 - Present

- Supported program governance for a cross-functional transformation initiative involving digital tooling and standardized reporting.
- Maintained RAID logs, workstream plans, decision logs, and steering committee material.
- Tracked milestones, dependencies, and value realization indicators across product, operations, and finance stakeholders.

Transformation Intern | Novo Nordisk, Bagsvaerd

Jan 2025 - Jun 2025

- Contributed to implementation roadmap design for a global process harmonization initiative.
- Prepared stakeholder packs, meeting structures, and communication material to support change enablement.
- Coordinated follow-ups across multiple teams and ensured actions were captured and progressed.

Student Coordinator | Aarhus University

Sep 2023 - Dec 2024

- Planned workshops, aligned resources, and coordinated participants for academic-industry collaboration events.
- Built structured timelines and tracked delivery

across stakeholders with different roles and responsibilities.

SELECTED PROJECTS

Selected project experience

- Developed a governance and operating model proposal for a simulated post-merger integration project, including roles, cadences, escalation logic, and benefits tracking.
- Led a student team project on execution risk in digital initiatives, focusing on stakeholder coordination and implementation sequencing.

HIGHLIGHTS RELEVANT FOR CONSULTING ROLES

- Brings structure to complex programmes through governance, tracking, and coordination.
- Strong fit for PMO, implementation management, and value-realization oriented transformation work.
