

Frederik Aagaard

MSc in Marketing

PROFILE

Marketing master's student at Aarhus BSS with a track record in consumer brand strategy and digital commerce. My internship at LEGO and student role at Salling Group have given me a holistic view of how consumer goods companies build, distribute, and grow brands. I am especially drawn to the intersection of consumer insight and digital tooling – from customer data platforms to GenAI-driven personalisation.

EXPERIENCE

Marketing Strategy Intern

LEGO Group, Billund · Full-time internship · Jul 2025 – Jan 2026

- Supported the Asia-Pacific consumer engagement strategy
- Built a competitive intelligence dashboard tracking 12 markets
- Co-presented findings to the regional VP and marketing council

Student Assistant, Customer Loyalty

Salling Group, Aarhus · Part-time · Sep 2023 – Jun 2025

- Analysed loyalty programme data across Bilka, føtex and Netto
- Contributed to A/B-test design for personalised offers in the app
- Built KPI dashboards used by category managers

Sales Assistant

Bilka, Tilst · Part-time · Oct 2018 – Aug 2020

VOLUNTEER

Treasurer, AU Marketing Society · Sep 2024 – Present

Manage finances and partnerships for student society of 200+ members.

MASTER'S THESIS

Personalisation at Scale: A Mixed-Methods Study of GenAI in FMCG Marketing
