

Lærke Brandt

MSc in Business, Language and Culture · graduate candidate

+45 22 56 78 41 | laerke.brandt@gmail.com | Campusvej 55, 5230 Odense M | [linkedin.com/in/laerkebrandt](https://www.linkedin.com/in/laerkebrandt)

Profile

SDU master's student bridging business, communication and culture. My academic and professional path has revolved around how international organisations communicate, train and lead during change. Through my work at LEGO and TDC NET, I have seen how organisational design and learning systems determine whether a transformation succeeds.

Education

SDU

MSc in Business, Language and Culture

2024-2026
