

Tobias Lindholm

MSc in Operations and Supply Chain Management

PROFILE

Aalborg master's student in Operations and Supply Chain Management. My professional experience at Siemens Gamesa and Grundfos sits at the intersection of strategy, operations and analytics. I am attracted to consulting because it combines structured problem-solving with the variety of working across industries — a strong match for someone who thrives on learning curves.

EXPERIENCE

Operations Strategy Intern

Siemens Gamesa, Brande · Full-time internship · Jul 2025 – Jan 2026

- Supported global manufacturing footprint review
- Built scenario models for capacity reallocation across 4 plants
- Presented findings to the Head of Operations Strategy

Student Assistant, Procurement Analytics

Grundfos, Bjerringbro · Part-time · Sep 2023 – Jun 2025

- Built spend analysis dashboards across 12 product lines
- Identified consolidation opportunities saving ~€1.8M annually

Stocker

Lidl, Aalborg · Part-time · Aug 2017 – Aug 2020

VOLUNTEER

Treasurer, AAU Business Society · Sep 2024 – Present

Manage budget for student organisation.

MASTER'S THESIS

Footprint Reallocation under Geopolitical Uncertainty: A Multi-Echelon Optimisation Approach
