PROFILE

CBS strategy master's student with a strong track record across consulting and corporate strategy environments. My summer at BCG and my role at Carlsberg Group gave me hands-on exposure to industry strategy work — from market entry decisions to portfolio reviews. I want to continue building this expertise at Accenture Strategy, where I can work across industries while developing a deeper toolkit.

EDUCATION

MSc in Strategy, Organisation and Leadership
CBS

2024-2026
