PROFILE

ITU master's student combining technology strategy, digital business model design and organisational change. My internship at Trifork and student role at the Danish Business Authority have shown me how technology agendas translate into real business and policy outcomes. I see Accenture's Technology Strategy & Advisory as the place where my background fits most naturally.

WORK EXPERIENCE

Trifork · Aarhus

Strategy Intern · Full-time internship · Feb 2025 – Aug 2025

- Supported a cloud transformation roadmap for a public-sector client
- Built TCO models and benchmarked managed-cloud providers
- Synthesised insights from 25 stakeholder interviews

Danish Business Authority · Copenhagen

Student Analyst, Digitalisation · Part-time · Sep 2023 – Jan 2025

- Contributed to the national strategy for SME digitalisation
- Built dashboards tracking adoption of digital tools across SMEs

H&M; · Copenhagen

Sales Associate · Part-time · Aug 2018 – Aug 2020

VOLUNTEER WORK

Mentor, ITU Hackathon · Sep 2024 – Present

Mentor for student teams during ITU's annual hackathon.
