

Mille Frandsen

MSc in Economics

PROFILE

SDU economics master's student with strong quantitative and analytical skills. My professional experiences at Copenhagen Economics and at the OECD have given me a robust foundation for industry analysis and strategic problem solving in regulated industries. Accenture Strategy represents an opportunity to apply this analytical rigour in a more action-oriented setting.

EXPERIENCE

Junior Consultant Intern

Copenhagen Economics, Copenhagen · Full-time internship · Feb 2025 – Aug 2025

- Worked on a competition assessment for a Nordic energy client
- Built econometric models on price formation in regulated markets
- Co-authored a public report

Research Assistant

OECD, Paris (remote/short stay) · Project · Sep 2023 – May 2024

- Contributed to an industry transformation report on Nordic shipping

Student Assistant

SDU Library, Odense · Part-time · Aug 2020 – Aug 2023

VOLUNTEER

Member, Polit-debate Society SDU · Sep 2021 – Present

Active in policy-debate competitions.

MASTER'S THESIS

Cross-Border Electricity Markets and Industrial Competitiveness: An Econometric Analysis
